

Regional Flagship Language Initiatives (RFLI) Dietary Form

Over the course of the 2022 summer domestic program (June 20th - August 12th) RFLI will organize several events, orientations, and excursions where food will be catered/served.

Although we might not be able to accommodate your preferences, we will try our best to accommodate other food issues such as allergies and dietary restrictions for health and/or religious reasons.

Please let me know if you have any allergies and/or dietary restrictions (i.e., vegetarian, halal, gluten free, tree nut allergy, etc.).

If you do not have restrictions, please respond with “none”. It helps to hear from everyone on this.

Send your completed form to your program’s email (listed below) by **June 01, 2022**.

- SAFLI send to: safli@lpo.wisc.edu
- IFLI send to: ifli@lpo.wisc.edu
- TURFLI send to: turfli@lpo.wisc.edu
